"Herblock's History" is an article written by Harry L. Katz that was originally published in the October 2000 issue of "The Library of Congress Information Bulletin." The U.S. Library of Congress, based in Washington, D.C., presents the article online. Katz provides a biographical sketch of the American political cartoonist and journalist Herbert Block (1909-2001), who was known as Herblock. Block worked as a cartoonist for "The Washington Post" for more than 50 years, and his cartoons were syndicated throughout the United States. Katz highlights an exhibition of Block's cartoons, that was on display at the U.S. Library of Congress from October 2000. Images of selected cartoons by Block are available online.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

REA's AP U.S. History Test Prep with CD-ROM TESTware(R) - For Students Serious About Scoring a 5! New 8th Edition! Our best-selling AP test prep is completely up-to-date through the 2008 Obama presidential election. The book contains a comprehensive review of all the topics covered on the official AP exam, including: the Colonial Period, the American Revolution, the U.S. Constitution, Westward expansion, the Civil War, Reconstruction, Industrialism, World War I, the Great Depression, World War II, the Vietnam Era, Watergate, Carter, and the New Conservatism. Each detailed review chapter contains in-depth historical timelines that help you study smarter and boost your AP score! The book features six full-length practice exams with detailed explanations of answers. The practice tests are composed of every type of question that can be expected on the actual AP U.S. History exam, so you can practice for real and target your strengths and weaknesses before the test. Our interactive TESTware(R) includes three of the book's practice tests on CD-ROM in a timed format with automatic scoring and instant feedback that simulate test-day conditions. After building your U.S. History knowledge, follow up with REA's proven test-taking strategies and a study schedule that gets you ready for exam day! REA has helped more than a million students succeed on their AP exams! Teachers across the country consider our AP titles to be invaluable resources and consistently recommend our books to their students. Our high-quality test preps are authored by AP experts who have mastered the exam content and teach the course.

This practical resource shows you how to apply Sam Wineburg's highly acclaimed approach to teaching, "Reading Like a Historian," in your middle and high school classroom to increase academic literacy and spark students' curiosity. Chapters cover key moments in American history, beginning with exploration and colonization and ending with the Cuban Missile Crisis.

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

Bernie Sanders's political autobiography, with an updated afterword that brings his story up to the 2020 presidential campaign Explaining where he comes from and how his politics were formed, Senator Bernie Sanders describes in detail how, after cutting his teeth in the Civil Rights movement, he helped build an extraordinary grassroots political campaign in Vermont, making it possible for him to become the first independent elected to the US House of Representatives in forty years. He is now the longest-serving independent in US political history. An extensive afterword by the Nation's National Affairs correspondent, John Nichols, continues the story with Sanders's entrance into the Senate, the drama of the 2016 Democratic Primary, his ongoing resistance to Trump, and the thrilling launch of his 2020 bid for the White House. A new foreword by Nina Turner, former president of Our Revolution and co-chair of the Sanders for President campaign, provides a rare glimpse of Bernie as a person. Outsider in the White House is the story of a passionate and principled political life.

Never in American political history has there been so momentous a reversal of fortunes as that of Richard Nixon. How did it happen? What is this man's legacy to us all? These are among the questions explored by the staff of the Washington Post in the most penetrating examination of Nixon the man and the Nixon years ever put together. It is a story that begins with a small boy in a California town dreaming of distant places and golden opportunities. It is a story that climaxes with a man who achieved his dreams, yet more than anyone else was the instrument of their destruction. Richard Nixon, the people around him, and the controversies that have swirled throughout his entire career are brilliantly illuminated here. This is unforgettable human drama, and essential reading for all Americans.
