It's time for bed! Not if Froggy has his way! Even after a long day of playing, Froggy's still not tired. His bath is ready, but first Froggy has to find his boat. And where are his pajamas?

# Access Free Froggy Goes To Bed

And how did his toothbrush get into the cookie jar? Oh, Frrooggyy! Now it's time to go to sleep, right? But Froggy can't sleep without a bedtime story!

~~Froggy Goes to Bed: London, Jonathan, Remkiewicz, Frank~~  
...

In "Froggy Goes to Bed" by Jonathan London is about a little frog named Froggy who does not want to go to bed. His bath is ready but first Froggy must find his boat. Froggy does everything to not have to go to bed at night. My kids thought this book was so funny when we read it.

~~Froggy Goes to Bed by Jonathan London — Goodreads~~  
Even when Froggy goes to bed, it's a high-action adventure. If you've seen him learn to swim, go to school, bake a cake, get dressed for winter, or play soccer, you know that in Froggy's world nothing is ever easy or efficient, and that everything has its own set of goofy sound effects. This is precisely why preschoolers can't resist these delightful read-aloud picture books!

to bed but first he must prepare. Froggy has so many things to do will he ever get to sleep? This is a fun story to help children recall nightly rituals of their own. Materials. Quilt pattern and many one-inch squares; Non-breakable mirrors; Vocabulary. Routine (schedule of events from one time to another, lunch to nap time)

~~Jonathan London~~

Froggy's mother tells him it is time to go to bed and like most children, he resists and stalls. What I don't like about the book is the way the mother lets Froggy push her around.

Froggy tells his mother that SHE has to close the closet, open the door a crack, and turn the night light down before HE will go to sleep.

Remkiewicz collaborated on the seven popular previous Froggy books:...

~~Froggy Goes to Bed by Jonathan London — Books on Google Play~~

It's Froggy's bedtime, but he can't find his pyjamas, or his toothbrush, or his huggy. When his mum finally gets him into bed, he's still not tired and needs a snack, a drink and a story. Before too long someone falls asleep - but it's not Froggy. This is the first title in the "Froggy" series.
