Inspiration and Encouragement on the Path to Self Realization is Book Four in the Self Realization Series. That makes the approach simple, easier and less complicated. The idea is to stay focused on just one subject until you have received everything you need to receive from that one subject. Most people go on to the next subject without ever having learned to apply to their lives the subject they are studying now. The Self Realization series of books are portable practice manuals aimed at helping sincere seekers of Self Realization master one Key to Self Realization at a time. The six titles in the Self Realization Series are: 1. Self Awareness Practice Instructions. 2. The Desire for Liberation. 3. The False self. 4. Inspiration and Encouragement on the Path to Self Realization. 5. Everything is an Illusion. 6. How Not to Get Lost in Concepts.
